Warden Message # 5/2010: Suspension of Biglist Email Services

The U.S. Mission to the United Arab Emirates encourages all Americans in the UAE to register their presence through the Department of State's internet based registration system at <https://travelregistration.state.gov/ibrs>. Effective April 30, 2010, the Embassy and Consulate General will stop sending messages via our commercial mailing list provider, Biglist. American citizens previously subscribed to the Biglist should register at <https://travelregistration.state.gov/ibrs> to ensure uninterrupted receipt of warden messages from the Embassy and Consulate General.

Registration allows you to record information about your trip abroad that the Department of State can use to assist you in case of an emergency. Registration is voluntary and costs nothing, but it is an important part of your travel planning and safety preparations. Once registered, you can easily update your information at the same website. If you're unsure as to whether you're already registered, please register again at <https://travelregistration.state.gov/ibrs>.

The data that you provide is subject to the provisions of the Privacy Act (5 USC 552a). This means that the U.S. Department of State will not disclose the information you provide in your registration application to any third parties unless you have given written authorization to do so, or unless the disclosure is otherwise permitted by the Privacy Act.
